ALWAYS: *GO SEE

When you submit your flare waiver request, an email goes to the Line Manager you selected when filling the form and you will get a copy of the mail also.

The list of Flare waiver you requested will be listed as shown above.

The status of the flare waiver shows who is yet to support/or approve the request

You can cancel the request if no longer required.

You can view comments made by the support/approvers.

You can generate a report from your request entry.

You can reroute the request if the person to whom the request was initially forwarded no longer available.
